INFORMATION DISCLOSURE STATEMENT

Sir:

- I. Applicants hereby submit an Information Disclosure Statement and enclose a Form PTO-1449 listing references for consideration by the Examiner. A copy of the Reference is not enclosed.
- II. Applicants hereby request the Examiner to consider each cited reference. As required under 37 C.F.R. § 1.98(a)(3)(i), the following are concise explanations of the relevance of each reference, as they are presently understood:

REFERENCE A1 (US 6,095,087 – Bloedorn): “A bird feeder having an apertured floor member which is slidably and selectively removable for easy cleaning. A bird feeder bin is defined by a set of walls, a floor and a roof. When a hinged portion of the roof is opened, at least one section of the walls is slidably removable, and the apertured floor member is also slidably removable. The apertured floor member, which consists of a perforated or expanded steel sheet, provides a combination of sheet material with a pattern of holes which is strong enough to support the weight of the feed, permits drainage to keep the feed dry, and is rugged for scraping and cleaning.”

III. No fees are believed to be due in connection with these materials. This Information Disclosure Statement is being filed prior to receipt of an official Office Action.
